

THAWS FASTER STACKS BETTER

SAME LOW INTRODUCTORY PRICE

After nearly a year of On-Farm Testing, Dairy Tech is excited to introduce the newly redesigned 4L Perfect Udder® bag.

This **patented design results in 30% faster thaw times** and improved heating during the heat treatment cycles.

- Currently available in the 4q/4L size ONLY - 3Q/3L size in the coming year
- Easier to stack in the freezer
- **Replaces Original 4L Bag**

These bags are LARGER than the original version, and WILL NOT fit into our current Bag Caddie. A New Bag Caddie is being developed and will be available soon.
